Dear Parents

Please find attached a copy of the order form for hot dinners, and a comprehensive menu for the next half term. We have agreed a price of £2.30 per meal and believe this represents excellent value for money.

You are free to order as many or as few hot dinners per week as you wish, on whichever days suits. Please complete the order form, recording a tick for every hot dinner you wish your child to have, and return it to school with payment enclosed, by Wednesday, 20th May (online payment is also accepted). *NB* If your child would prefer a vegetarian option (usually, the meat content of the meal is replaced with a vegetable or *quorn* substitute), please write '**veg**' in the box, instead of a tick.

Please note, should you need to cancel a meal on any day (due child absence through sickness etc) **you must inform school by 9.00am or you will be charged**. This is solely because Mrs Satchwell is required to telephone final daily meal orders through by 9.15am to Bailey Caterers. For those meals cancelled on time, a credit will be carried forward to next term.

Hot dinners are not compulsory. You are welcome to continue to send your child to school with a packed lunch. However, in order to be able to provide this service we will need to be placing orders for at least 30 meals a day.

I hope this proves a popular new service and look forward to this trial period next half term.

Kind regards

Dominic Cook
Headteacher

PS Unfortunately, we are unable to offer this service to any child suffering from nut allergies. All other food allergies can be catered for if desired.
